STOCK MARKET IS DULL.

Richmond Terminal Drops, Owing to the Reorganization Plan.

Bichmond Terminal reorganization I details of which were given in "The Evening World's" Sporting Extra yesterday, was about morning. Some holders of the securities of the Company are evidently disappointed with the plan, and have been selling out.

This caused a drop in the common stock of 11-5 to 41-4, in the preferred of 1 to 23, in the Trust 6s of 5 to 61, in the los of 61-58 to 20 and in the Richmond & Banville 6s to 77.

Memphis & Charleston, which hast sold at 40, was effected down to 30 without takers.

It is impossible to say at present whether the plan will prove a success, but the syndicate which has underwritten it is a strong saw, and a large cash final is provided to take up the securifies which refuse to come in.

The pressure against the Richmond Terminate and a break in prices in London, which faiter according to all accounts, was engineered from the side, caused a weak opening. Rock Island this side, caused a weak opening. Rock Island characteristics or some other favor from the Administration. This caused a drop in the common stock of according to all accounts, was engineered from this side, caused a weak opening. Lock Island was depressed 1.7-8, to 71, 8t.
